Closing date for applications: 31st January 2021

Peer support volunteer – we have 2 opportunities for this role

- Location:** Any UK Location
- Commitment:** Approximately 3 - 4 hours per week
- Reports to:** Service Lead
- Liaises with:** Services Lead Trustee
- DBS check:** Enhanced check required

Our peer to peer support service uses digital technology to inform, support and empower people living with or affected by HIV across the UK. The role is first and foremost about sharing lived experience of HIV and developing a balanced, time limited therapeutic peer to peer relationship. This role is an ideal opportunity for trained peer mentors to use their skills to support others online whilst volunteering their time from home.
